### Parks and Recreation Board

The seven member Board, which is appointed by the Mayor, meets the third Tuesday of each month at 6:00pm. Call the MPRD office at 967-3640 if you would like to discuss putting an issue or question on the Board Agenda. Any citizen interested in serving should write a letter of interest, stating qualifications to the Mayor.

#### Board Members:

Dick Sturm (Chair)	Tim Hale
Brian Adesso	Lisa Hopwood (Vice Chair)
Rachael Dowling	Tom Marshall
Alderman Ted Grade	

### Volunteer Opportunities

The Parks and Recreation Department is so grateful to our wonderful and giving community. For our programs and events to continue to be successful and affordable we rely on volunteers throughout the year. If you are interested in sharing your time and talents, please reach out to us at [parknrec@ci.menasha.wi.us](mailto:parknrec@ci.menasha.wi.us) or visit our website for volunteer opportunities.

Volunteer opportunities may include: working at special events, leading a group or helping lead a group through an activity, coaching a sport, and much more!

### Limited Financial Assistance

Available to **City of Menasha** youth who cannot afford the full price of a pool pass OR any recreation program. Funding for this program comes from donations so the amount available varies from year to year.

A minimum of three business days is required for staff to review requests for financial assistance.

### Family Assistance Fund

There are many Menasha families who simply can't afford a pool pass or fees for recreation programs. If you'd like to help make these opportunities a reality, we do accept donations to our Family Assistance Fund. Donations can be made by mail or in person—just indicate on your check what it is for!

All funds are held in a separate account and will only be used to assist City of Menasha families.

### Looking for a Great Part-time Job?

The Parks and Recreation Department employs many part-time people. Day or evening hours are available. We offer flexible scheduling and competitive wages. **Have fun and earn money too by joining our summer staff!** Other program leads and opportunities exist year round. Go to <https://www.governmentjobs.com/careers/menashawi> to view current job openings and to complete your application online!

# Registration Information

## 3 WAYS TO REGISTER

**Menasha Residents are given program registration preference August 23-29.**

Non-Residents may start to register August 30.

**Walk In/Drop Off** your registration form and payment to the Parks and Recreation Department, Menasha City Center, Second Floor, or use the black drop box in City Hall's parking lot on Main Street.

**Mail** your completed registration form and payment to City of Menasha Parks and Recreation, 100 Main Street Ste. 200, Menasha, WI 54952. Checks should be made payable to City of Menasha.

**Online registration** at <http://menasha.recdesk.com>. Credit/debit cards are accepted in the office. There is a small service charge for using this form of payment.

Participants new to the City of Menasha will need to create an account at the website listed above. You will not be able to register for any activities until your account has been approved by office staff. Once approved, you will receive a confirmation email. Then you may log in using the account information you provided.

## Important Information

**Child's Grade:** Child's grade in the Fall of 2021 should be used when registering

**Telephone registrations:** Telephone registration is not accepted

**Register early!** Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be cancelled or modified if there is insufficient registration.

**Do I pay resident or non-resident fees?** If you pay your residential property taxes to the City of Menasha, you are considered a resident. The City of Menasha offers recreation program fee reciprocity with the cities of Appleton and Neenah and the Village of Fox Crossing. This also means that city residents may sign up for programs and receive services in these communities at their resident rates. Any taxing municipality outside the Cities of Menasha, Appleton, Neenah and Village of Fox Crossing is a non-resident. Unfortunately, living in one of these school districts or having a Menasha, Appleton or Neenah address does not necessarily mean you are eligible for the resident rate. Non-residents pay higher fees because a portion of the municipality's property taxes is designated to pay for the buildings, parks, instructors and administration or recreation services.

**Non-Participants:** In an effort to better promote a positive learning environment for programs, only registered participants are permitted in the program area. Our instructors welcome the opportunity to discuss participant's progress with parents after class.

**Say Cheese!** Our Recreation Department periodically takes pictures of participants in our classes, during special events, and in the City parks. Please be aware that these photos are for recreational use and may be used in the City of Menasha's brochures, flyers, or website. You must give us written notice if you or your family members do not want to be photographed or published.

**Refunds:** Will be given when the department cancels a class or makes a change in the class schedule that no longer fits the participant's needs. A credit on account may also be issued. **A refund can be granted when a medical excuse is provided through the first 25% of a program.** Inadvertent overpayments are placed on the payee's registration account.

## COVID-19

We remain vigilant about the safety protocols that protect our staff and guests and will continue to put the safety of our staff and guests at the forefront of our decisions. We hope to be able to offer all the programs, events and services listed in this guide. Please watch our Facebook page (Menasha Parks and Recreation) or the City's website for further updates. As the COVID-19 Pandemic response changes, so may our responses. If at any time you have questions about these or other program policies, please contact our office at (920)967-3640 or email [parknrec@ci.menasha.wi.us](mailto:parknrec@ci.menasha.wi.us). Full refunds will be given if the City of Menasha cancels your recreation program.

We will be following current guidelines and mandates.

**\*NOTE-** The Menasha Parks and Recreation Department reserves the right to not admit people who pose a communicable disease risk to others.

## Program cancellations and other announcements

*Meet your instructor: My name is Julie Bradley and I would be thrilled to have the opportunity to teach your child in our Tiny Tots program. I am a mother of four wonderful children who have provided me with many experiences to prepare me for working with your child at Tiny Tots. Along with personal experiences, I also received my teaching degree in 1998 through the University of Wisconsin-Oshkosh. I have had the opportunity to teach various age groups in the Oshkosh, Neenah and Hortonville school districts.*

*On a more personal note, I love the outdoors. I enjoy digging in my flower beds, camping with family and picnicking in the summertime. I am excited to help your child take on this challenge and see them grow.*

## Tiny Tots at Home

Get all of the benefits of our Tiny Tots Program but in the comfort of your own home! We've packaged each of our themed weeks with easy to use projects and activities for your child 2.5 -5 years old. Packets will be available for pick up at City Hall each Friday.

# Pick Up Your Pet's Waste

Studies have found that 20% of the bacteria contaminating some waterways can be traced back to the digestive system of a dog.

Pet waste can negatively affect storm sewer systems. It increases bacteria and adds unwanted plants and algae that diminish clean, clear waters. Disposing properly of pet waste can help reduce undesirable bacteria and parasites in our lakes and rivers.

## **Take Action:**

1. Pick up dog waste in your yard daily
2. Always bring plastic bags with when going on walks
3. Do not dispose of pet waste in storm drain
4. Set a good example to other dog owners

For more information on how you can create a positive impact on our environment, visit the City of Menasha website. Under Department of Public Works, go to Storm Water Programs and Information, then click Resident Action.
